**LERT needs you!**

***"..through love serve one another." Galatians 5:13***

Learn to prepare for a natural disaster or to help others and yourself in times of need. Pastors who need to have certification to be on site are also encouraged to attend. We need you!

Iowa District West has immediate need for LERT-certified volunteers to respond after natural disasters and in times of need by giving spiritual comfort and emotional support while providing food, water, clean up, debris removal and helping with basic repairs. This is an opportunity to exercise your Christian faith and use your God-given gifts and talents to help others in need.

It's easy to become a trained Lutheran Early Response Team volunteer!

Take this opportunity to join members throughout IDW in this unique Christ-centered mission. Attend the disaster orientation training event to become FEMA certified through LCMS World Relief and Human Care.
