

Lord Jesus, bless these funds that they are put to good use in providing perishable food items for the Co-op and reducing the financial burden for seminary students and their families. May the families served see it as another way in which You provide for them now and always. Amen

GRANT # 4 - CONCORDIA SEMINARY FOOD CO-OP, FT. WAYNE - \$10,000

Christ in Matthew 28:19 commands us to go and teach all nations about Him and what He has done for us.

Students from our country and around the world come to Concordia Theological Seminary to prepare to serve God's people. Many leave jobs to come to the seminary with their families, no longer having the same financial flow of funds, but having the same financial needs. The Food Co-op seeks to reduce the financial burden by providing food and household needs each month at no cost to students. Support from individuals, congregations and organizations such as the IWD LWML help support the Food Co-op in assisting our seminarians and their families.
