

Mission Grant Report Form

Iowa District West

Grant recipients are asked to complete and submit the report form within one month of the completion of the effort or, if a continuing ministry, by January 31 of the following year in which the grant is received. Please submit any pictures, as well, that would help to share the story with other congregations to encourage them in their ministry.

1. Please provide a brief overview of the effort.

St. Paul's Lutheran ECC offered a quality summer program that was enhanced by providing off site field trips and bringing in outside guests weekly. The t-shirts that were given at the church picnic will be seen throughout the community to increase SPLECC's visibility.

2. What goals were established for this effort; that is, what did you hope to accomplish?

St. Paul's Lutheran ECC wanted to reach new families with a quality summer program and to increase our visibility in the community.

3. Did you achieve your goals? If not, what do you think were some of the contributing factors?

The t-shirts were appreciated by all who received them and are being worn on a regular basis. Parents were very pleased with the summer program and our added activities.

4. Is there anything you would do differently if you were to undertake this effort again?

Increase the marketing effort and begin doing so at an earlier date.

5. What lessons were learned through this effort?

Parents appreciate a quality program that offers activities to enhance their day to day learning.

6. What suggestions would you give to a congregation considering a similar effort?

To start marketing a new program early on and to focus on summer learning activities that keep children engaged.
