

## **GRANT #5 – Unity Ridge Lutheran School Scholarship Assistance \$17,120.05**

*“Our Lord Jesus Christ has committed to us all the task of  
“teaching them to observe all that I have commanded you.”*

As an independent RSO Unity Ridge must meet the cost of education for her students by tuition, outside scholarship resources, and voluntary support given by congregations and individuals. The 2023 implementation of the Educational Savings Accounts by the State has been a wonderful asset to families desiring to enroll their children in private schools; however, this resource still falls short of meeting the support needed by some families. The Unity Ridge Board of Directors anticipated the need for scholarships to help meet the need of their lower-income families. A Scholarship Fund was quickly established. Fundraising efforts were initiated to supply this Fund; however, scholarship resources are falling short. Unity Ridge lost students due to this shortfall.  
Denison, Iowa

**Lord Jesus,**

**You instructed us to let the  
little children come unto  
You, and not to hinder  
them. Be with pastors and  
teachers of Unity Ridge  
Lutheran School as they  
teach your little ones of  
Jesus’ death and  
resurrection; in Your name  
we pray.**

**Amen**

**2024-2026**
